EDUCATION

Chaudhary Devi Lal University , Sirsa	2022-2025
Bachelor's of Computer Applications	
Government Senior Secondary School, Fatehabad	2021-2022
Senior Secondary Education (Humanities)	

EXPERIENCE

Unified Mentor Private Limited	Gurugram, Haryana
Web Development	Nov 2024-Dec 2024
- Designed and developed interactive web applications, including a fully functional expense tracker, utilizing HTML, CSS, JavaScript and utilizing modern web development technologies. - Collaborated with senior developers to enhance user interfaces, optimize performance, and integrate APIs, ensuring application responsiveness and improved usability.	

PROJECTS

- Amazon Clone**
Created a responsive Amazon clone frontend using HTML, CSS, and JavaScript, featuring interactive product displays and intuitive navigation to simulate an e-commerce platform.
- Weather Check Website**
Developed a weather check website, featuring real-time weather updates with an intuitive user interface and seamless integration of a weather API for accurate data display.
- Personal Portfolio**
Designed a professional personal portfolio website, featuring an organized layout to showcase projects, skills, and achievements with a modern and responsive design.

SKILLS AND INTERESTS

- Frontend Development:** Proficient in HTML, CSS, JavaScript and Bootstrap for building responsive, interactive, and user-friendly websites.
- Backend Technologies:** Knowledge of Node.js and Express for building server-side applications.
- Databases:** Skilled in working with SQL and NoSQL databases (e.g., MySQL, MongoDB).
- Tools & Software:** Familiar with Visual Studio Code, Postman.
- Hobbies:** Hackathons and Coding Competitions, Learning New Technologies like AI, Reading Tech Blogs and Articles.
